

# OLIVIA'S CLEAN WATER ADVENTURE

Free Online Presentations

**CLEARWATER**  
PROJECT

Follow the adventures of Olivia the Otter as she explores how the Clearwater Project will protect our local waterways.

The Los Angeles County Sanitation Districts are hosting free online presentations (via Zoom) to teach students how water from inside and outside the house ends up in our ocean and how they can help keep the water clean. The 1-hour interactive session is geared towards elementary school students in grades 4 to 5.

If you are interested, please fill out the online form at [www.clearwater.lacsd.org/Outreach](http://www.clearwater.lacsd.org/Outreach)
