

CONSTRUCTION/TRAFFIC NOTICE

The Sanitation Districts has begun drilling on Western Avenue across from the 5th Street cul-de-sac, requiring one southbound traffic lane closure. A 4-inch bore hole is being drilled to a depth of 370 feet, so we can investigate conditions in our underground tunnel using a camera. There are no safety issues or concerns for this area while this work takes place.

UPDATED SCHEDULE

Start Date: **September 29, 2025**

Working Hours: **Monday – Friday
9:00AM to 3:00PM
Saturday, October 4 & 11
8:00AM to 5:00PM**

Duration: **4-6 weeks (depending on drilling progress)**

Commuters and local residents can expect the one-lane closure on the southbound side of Western Avenue at this location during working hours. Expect traffic delays along Western Avenue and Weymouth Avenue at this time. Please use caution when driving through this area.

For information and details about this project please visit clearwater.lacsd.org. Questions or concerns? Please contact Maria Rosales-Ramirez at mrosales@lacsd.org or (562) 908-4288, ext. 2311.

We appreciate your patience and cooperation during this important infrastructure work.
