

# CLEARWATER PROJECT

## CONSTRUCTION/TRAFFIC UPDATE

No drilling will take place during the week of Thanksgiving, November 24-30. Drilling and traffic control will start again on Monday, December 1, and is expected to continue regularly for the next several months. These activities may be affected by winter weather and rain, with same-day decisions made on whether drilling will occur.

### CURRENT SCHEDULE

|                |                                             |
|----------------|---------------------------------------------|
| As of:         | <b>November 24, 2025</b>                    |
| Working Hours: | <b>Monday – Friday<br/>9:00AM to 3:30PM</b> |
| Duration:      | <b>Ongoing &amp; Continuous</b>             |

Residents, businesses, and commuters should expect traffic control from Monday to Friday between 9:00AM and 3:30PM whenever conditions permit. Some Saturday drilling and traffic control may also occur. For information and details about this project please visit [clearwater.lacsd.org](https://clearwater.lacsd.org). Questions or concerns? Please contact Maria Rosales-Ramirez at [mrosales@lacsd.org](mailto:mrosales@lacsd.org) or (562) 908-4288, ext. 2311.

**We appreciate your patience and cooperation during this important recovery work.**
