

ART CONTEST

TUNNEL BORING MACHINE

Tunneling Machine

Help us decorate the Clearwater tunnel boring machine (TBM) with your artwork! The winning art will go on the side of our TBM before it starts its quiet journey to build a new underground tunnel that will protect our local waterways. The TBM moves 30 to 40 feet per day and builds the tunnel as it digs. For more information about the project, please visit our website: www.clearwater.lacsd.org.

**Submission
Period Ends
Nov 15, 2020**

- Art contest is open to all 1st to 12th grade students in Los Angeles County.
- Submit original artwork that shows why it's important to keep our rivers and oceans clean.
- The top three submissions for each school level will be recognized at a ceremony later this year and receive gift cards of \$100 to \$300.
- For additional details, visit www.clearwater.lacsd.org/schoolOutreach.asp
