

School Outreach Program

The Los Angeles County Sanitation Districts have partnered with the Think Earth Foundation to provide free Marine Science floating lab trips to students. On board the Floating Lab, students learn about marine life and the watershed's impact on the marine environment.

BOAT TRIP DETAILS

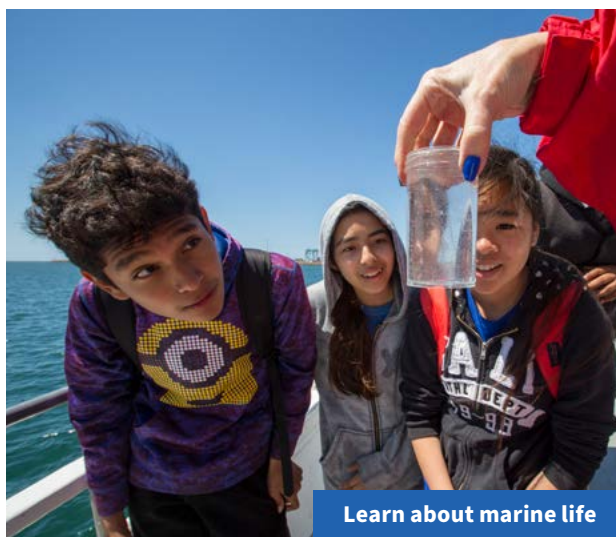

- FREE floating lab boat trip accommodates up to 60 people (students in grades 4 - 6, teachers and chaperones).
- Bus transportation is reimbursed up to \$500 per trip.
- Boat departs from Los Angeles Harbor in San Pedro at 8:30 AM. and returns at approximately 11:30 AM.
- Schools in Carson, Wilmington, Harbor City, Rancho Palos Verdes and San Pedro are eligible to participate.

On a 3-hour cruise through the Los Angeles Harbor, students participate in hands-on marine science activities including: a plankton lab, water testing, bottom sediment study, fish morphology and wildlife observation.

For more information or to schedule a trip, please contact Glenn Acosta at 562-908-4288, ext. 2304 or gacosta@lacsdsd.org.
